

ICASSP 2023, IEEE International Conference on Acoustics, Speech and Signal Processing

4-10 JUNE 2023, RODOS PALACE, LUXURY CONVENTION RESORT, RHODES, GREECE

PATRON PROSPECTUS

'Welcome' from Conference Chair

Welcome to the 2023 IEEE International Conference on Acoustics, Speech, and Signal Processing (ICASSP 2023), which will take place in the Greek island of Rhodes from June 04 to June 10, 2023. The flagship conference of the IEEE Signal Processing Society (SPS) will be held in-person at the Rodos Palace Luxury Convention Resort. This 48th ICASSP will be the first post-pandemic edition, celebrating the return to a fully in-person experience and the 75th anniversary of SPS. We are looking forward to welcoming back the whole signal processing community in a single venue, after three very challenging years.

ICASSP offers unparalleled exposure and attracts students, professors, researchers, and engineers to the world's largest and most comprehensive technical conference focused on signal processing and its applications. For companies interested in recruiting students for employment or internships, ICASSP will facilitate the exchange of information.

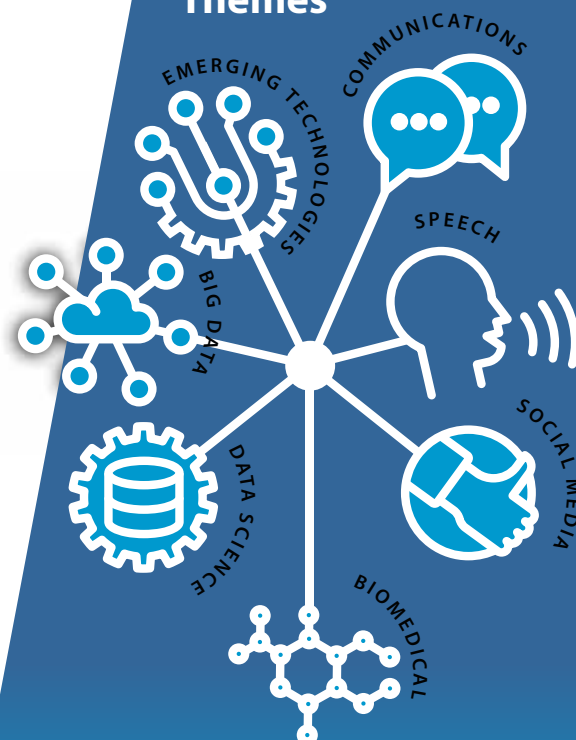

We have reflected on how the world has changed since the pandemic and reviewed historic feedback from delegates and patrons alike to improve the Conference year-on-year. We have introduced new and innovative opportunities for patrons to engage and network with the leaders and brightest academia within the sector. We are enthusiastically committed to preparing a high-quality international conference, coupled with many new scientific activities, networking opportunities, and enjoyable social events. ICASSP's main theme this year will be "Signal Processing in the Artificial Intelligence Era," promoting the creative synergy between signal processing and machine learning.

On behalf of IEEE SPS and the ICASSP Organising Committee, we invite you to participate as a patron to interact with 3,700 engineers and scientists working on signal processing and machine learning, as well as their applications in communications, speech, social media, biomedical, data science, big data, and emerging technologies such as quantum computing and deep learning.

Professor Petros Maragos

Themes

- Applied Signal Processing Systems
- Audio & Acoustic Signal Processing
- Autonomous Systems Initiative
- Biomedical Imaging & Signal Processing
- Compressive Sensing, Sparse Modeling
- Computational Imaging
- Computer Vision
- Data Science Initiative
- Deep Learning/Machine Learning for Signal Processing
- Image, Video & Multidimensional Signal Processing
- Industrial Signal Processing
- Information Forensics & Security
- Integrated Sensing and Communications
- Internet of Things
- Multimedia Signal Processing
- Quantum Signal Processing
- Remote Sensing & Signal Processing
- Sensor Array & Multichannel SP
- Signal Processing for Big Data
- Signal Processing for Communication and Networking
- Signal Processing for Cyber Security
- Signal Processing for Education
- Signal Processing for Robotics
- Signal Processing Over Graphs
- Signal Processing Theory & Methods
- Speech and Language Processing

Creating a Dynamic Combination

Expect a high level of interaction between the patrons, exhibitors, and attendees. The creatively designed exhibit hall areas will include catering and networking space throughout the Conference. We are expecting attendees to visit the exhibition areas frequently and it will provide an excellent opportunity for your organization to engage with the ICASSP 2023 audience.

We are very much looking forward to a fully immersive, in-person experience at ICASSP 2023 in Rhodes. To enhance the education and knowledge sharing, an on-demand content library is being developed in order to extend engagement. Further details will be released in late 2022.

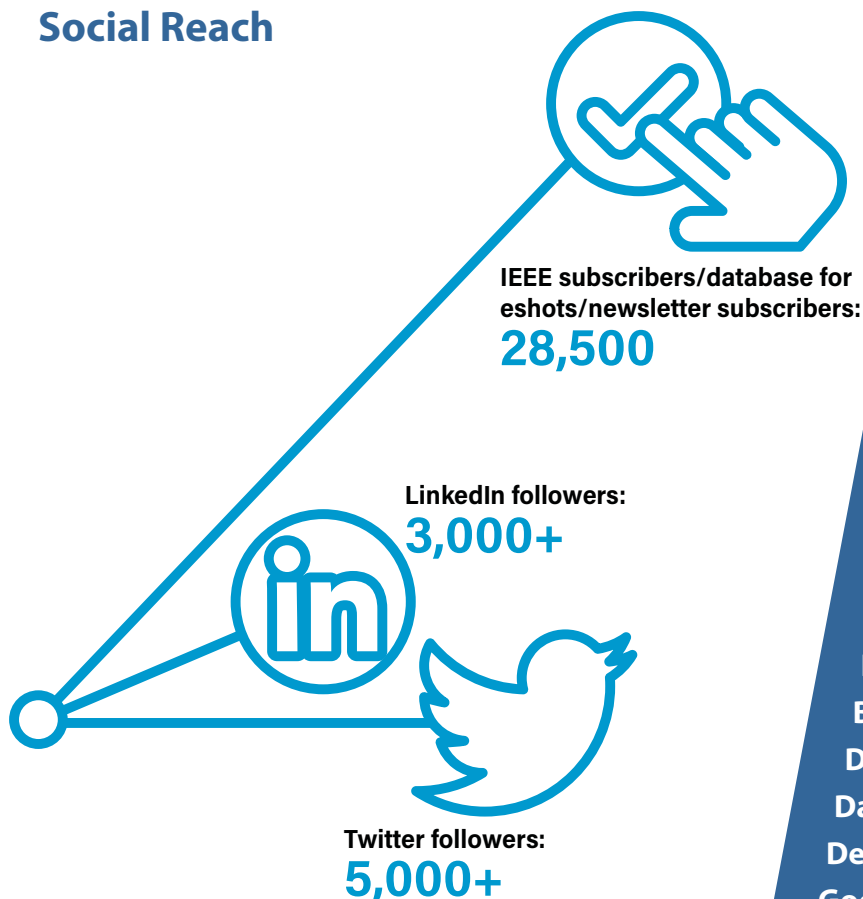

69% of ICASSP attendees are from organizations of more than 1,000 employees with an emphasis on the university and research sectors.

Signal Processing Society - 75th Anniversary

The Signal Processing Society is celebrating its 75th anniversary throughout 2023, where we will recognise, acknowledge and celebrate the advancements and transformations within the signal processing field. Throughout the past 75 years, the IEEE Signal Processing Society has built a strong and influential community of engineers, scientists, researchers, and industry professionals who have in turn inspired and curated pioneering advancements and research within the field.

We invite our valued patrons to consider supporting and contributing to our schedule of activities throughout the year.

Patron Opportunities

Select from the following Patron packages that include benefits to enhance your brand before, during, and after the conference, along with a presence in the exhibit hall. Patron packages include both in-person and online benefits.

IN PERSON	Diamond Plus \$35,000 1 available	Diamond \$27,500 3 available	Platinum \$22,500 3 available	Gold \$17,500	Silver \$12,500	Bronze \$7,500
Signal Processing Society Lounge Contributor	Y	Y				
Name & logo on event signage	Y	Y				
Option to organize event or workshop during conference	Y	Y				
Opportunity to distribute promotional item or gift to attendees	Y	Y				
Promotion and recognition on signs and announcements	Y	Y	Y			
Patron inclusion in daily newsletter/newspaper, distributed to all attendees	Y	Y	Y	Y		
Freestanding banner in reg area	Y	Y	Y	Y		
Opportunity to provide a delegate bag insert	Y	Y	Y	Y	Y	
Student Job Fair and Luncheon participation	Y	Y	Y	Y	Y	
Opening Ceremony/Banquet acknowledgement	Y	Y	Y	Y	Y	Y
Exhibit booth space*	Diamond Plus 5x3m	Diamond 5x3m	Platinum 4x3m	Gold 3x3m	Silver 3x2m	Bronze 3x2m
Exhibitor registration	5	4	3	3	2	2
Full conference registration	8	5	3	2	2	1
GDPR compliant attendee contact list plus sole branding of Lanyards	Y					
ONLINE						
Logo on online content platform	Y					
Recorded presentation upload	x2	x2	x1			
Email distribution to ICASSP list	x2	x2	x1			
Feature on ICASSP social media	Y	Y	Y	Y	Y	Y
Online content access registrations	5	4	3	3	2	1

*unmanned booth setup and displays available

A thank you to all of our patrons and exhibitors

We want to thank our new and regular supporters for participating in ICASSP. Without you, it would simply not be possible for our community to come together annually. As such, you will benefit from the following complimentary enhancements to your participation with us.

- **Online listing, 50 word overview and hyperlinked logo on 'Meet our Patrons & Exhibitors' page**
- **Opportunity to upload up to four resources to your online partner profile (pdf or video produced by the partner)**
- **1-minute introductory video produced by the partner and pushed out via our internal social platform to approx 3.7k professionals**
- **Partner listing with hyperlinked logo on digital programme or app**
- **On-site listing on digital screens throughout venue**
- **Tiered logos across all platforms onsite and online**

Additional Opportunities:

Industry Workshop \$10,000 USD Produce and deliver a 1.5-hour workshop, exclusively held during lunch at the conference. Includes mention in program, ability to register through the conference registration site, meeting room rental, lunch boxes for capacity of room, projector and screen and power strip, logo and mention on session signage. ICASSP will disseminate a promotional email to the ICASSP attendee list in advance (patron to provide content). There will also be the opportunity to hire lead capture devices to obtain attendee data. *Session to be reviewed and scheduled by conference organizing committee.

Student Competition or Hackathon \$10,000 USD Produce and deliver a student competition or hackathon event. Includes mention in the program, ability to register through the conference registration site, meeting room rental, one simple meal service for the capacity of the room, projector, screen and power strip, logo and mention on session signage. *Session to be reviewed and scheduled by conference organizing committee.

Welcome Reception \$10,000 USD Includes recognition on web page, exclusive table and three reps to attend the reception, brief speaking introduction.

Digital Partner \$10,000 USD Highlight your company as key partner for all of the recorded sessions, including popular keynotes and tutorials from world-renowned speakers, and other special sessions. Logo branded on all recorded and archived presentations from the conference.

Networking Lounge Partner \$10,000 USD Brand a networking area on the busy exhibit floor. Organisers will include a range of seating, tall tables and 36sqm of space in a defined area for you to brand, erect an exhibition stand and network. You will be acknowledged as the Networking Lounge Partner and we will include three exhibitor passes.

PROGRESS Workshop \$8,000 USD Have your company name and logo (digital/printed) on promotional and workshop material related to the PROGRESS Workshop, a major and unique initiative designed by IEEE SPS leadership for promoting the academic career development of students who are women or under-represented in the field of Signal Processing. The workshop will be a hybrid event, with physical conference space and online options. Here is a sample event: ieeepress.org/ICASSP2021/

Entrepreneurship Forum \$8,000 USD Have your company name and logo on promotional and workshop material related to the Entrepreneurship Forum that connects technopreneurs, investors and leaders in the Signal Processing startup eco-system. Opportunity for one representative per patron to participate in the Forum scheduled for 4 June 2023. This activity will enjoy a high level of promotion and is tipped to be particularly popular for 2023.

Power Bar \$8,000 USD A place for delegates and devices to plug-in, recharge and re-energise! The patron can enhance the offer and entice the attendees to stay longer by incorporating a juice bar, fruit bowls, etc at their own, additional expense. (subject to ICASSP committee and venue approval). The organisers will create a tall bar within an 18sqm space on the exhibition floor including bar stools and charging stations. The patron provides free-standing branding and giveaways. In exchange for the fee, you will benefit from pre, during and post event branding and interactive opportunities plus three exhibition passes. Always a popular place to visit, this opportunity affords a very high level of audience interaction for a sole sponsor.

Best Paper Award \$7,500 USD Includes company name and logo of patron on website and conference booklet and the option to have patron's name on Best Paper Award.

Best Student Paper Award \$7,500 USD Includes company name and logo of patron on website and conference booklet and the option to have patron's name on Best Student Paper Award.

Conference Bags \$6,000 USD Exclusive to one sponsor and distributed to all conference attendees to be used during and after conference. Includes conference and patron logo and bag insert. Conference Organizing Committee designs, procures and distributes.

Lunch/Refreshment Break \$5,000USD Increase your visibility and promote your brand and messaging throughout the busy coffee and lunch breaks. Includes the patron logo within the program, banner advertising at the break stations, signs on each table and the opportunity to disseminate one piece of marketing material to attendees on the break table.

Wi-Fi Patron \$5,000 USD As an exclusive partner of the Wi-Fi, you will enjoy engaging with all attendees when logging into the venue Wi-Fi. This opportunity allows branding on the Wi-Fi login and landing pages with the opportunity to direct delegates to a webpage of your choice.

Women in Signal Processing (WISP) Luncheon \$5,000 USD* Have your company name and logo on all mentions of the luncheon, three tickets to attend the luncheon, option to provide a giveaway to around 150 luncheon attendees and access to luncheon attendee list.

Young Professionals Networking Event \$5,000 USD*

Have your company name and logo on all mentions of the event. Exclusive networking ability for five representatives to attend the meet up, and the option to provide a giveaway to all event attendees.

Conference Lanyards \$4,000 USD Distributed to all conference attendees to be used during and after conference. Includes IEEE SPS and patron logos. Conference Organizing Committee, procures and distributes.

Brand Partner \$2,500 USD This patron provides the supply of 4,000 branded, sustainable water bottles for the ICASSP team to hand out to all delegates on arrival. If the partner prefers, a token can be produced and handed out on arrival to ask the delegate to visit your networking area or exhibit stand to collect their bottle - a good traffic driver directly to your onsite team and, an opportunity that offers a very long shelf life.

Tutorial Session \$2,500 USD Includes name and logo of patron on tutorial booklet, mention at beginning and end of tutorial, name and logo on website and conference booklet.

Sponsor a Session \$2,000 USD Align your organisation with a specific topic, theme or session by incorporating your logo on the holding slide pre-empting a session of your choice and, featuring your organisation name alongside all listings of the specific session on-line, in-app and in-person. In addition, you may provide a 1 minute video sting that will play out prior to the session when it's shown from the digital platform. Subject to approval from session organizer and speaker.

Exhibition \$2,000 USD Network from the bustling exhibit floor at the ICASSP 2023 Conference and display your brand collaterals in an area conducive to forging relations. Use the tall table and two bar stools provided as a base from where to engage with this key audience. You will be able to add your pull-up banner and a plasma screen, plants or F&B (at your own cost, via the Technical Manual, shared Autumn 2022). You will enjoy approx 4sqm of space with power and one exhibition pass (additional exhibition passes can be purchased at a nominal fee). You will also enjoy the benefits as listed within the 'thank you to our patrons and exhibitors' section. If you are participating for the first time or a local/SME, this is a great way to interact with this audience and introduce your products and services. Exhibitors will be able to purchase a lead retrieval system to obtain compliant contact details of visitors to the exhibition. Details will be available within the Technical Manual due Autumn 2022.

Publisher Table Top Exhibition \$POA An exclusive opportunity for publishers to join ICASSP 2023 as a table top stand within the busy exhibition floor. Enquire with our industry team to acquire costs and available locations.

**\$5,000 of the patron fee from the WISP Luncheon, the Young Professionals Meet-up and the Lounge Contributor will be donated to the IEEE Foundation-Signal Processing and Young Professionals Fund to support Students and Young Professional activities.*

Student Job Fair and Luncheon Patron \$1,250 USD

Includes three tickets to event, a table for promotional use (with the opportunity to bring promotional materials, job openings, branding materials, etc.), exclusive access to Student CVs, recognition on Student Job Fair and Luncheon web page, and brief intro video, logo and recognition on conference webpage. Every patron package that includes the Student Job fair, \$1250 of the patron fee will be donated to the IEEE Foundation-Signal Processing and Young Professionals Fund to support Students and Young Professional activities.

Digital Booklet Advertisement Options for every budget available:

Digital Conference Booklet Full-page Ad **\$2,000 USD**

Half page **\$1,200 USD**

Digital Conference Booklet Inside Front Cover **\$2,500 USD**

Sustainability Patron \$5,000 USD We recognise the importance of sustainability and have taken steps to reduce our environmental impact at the 2023 Conference. As a Sustainability Patron, your investment will contribute towards a number of sustainable initiatives such as utilising local suppliers, reducing plastic usage, providing enhanced digital options and reusable and/or compostable packaging at our catering stations. The opportunity includes your company name and logo listed as a sustainability patron on the conference website and materials and a half page advert within the conference programme.

Signal Processing Society Lounge Contributor* - US\$5,000

To celebrate the 75th anniversary of the IEEE Signal Processing Society, we will be hosting a lounge to showcase the developments and innovations within the industry over the past 75 years to all ICASSP attendees. Strategically positioned in the exhibit and break area, the lounge contributor opportunity includes: the opportunity to produce a 3-minute video from your company to visualize changes and enhancements within the signal processing speciality, to be played on loop with other contributors. The videos will also be shared on the SPS website and YouTube channel which boasts almost 10,000 subscribers. Your company will also be showcased via SPS' social media platforms, such as LinkedIn and Facebook. It will also include one coffee break opportunity for your team to host a demo or speak about a historical technology, application, or contribution in the lounge. We are also encouraging supporters to provide historical items of interest, to be exhibited during ICASSP 2023. Package also includes one half-page advertisement, designed by the sponsor, for inclusion within the June 2023 commemorative special issue of the IEEE Signal Processing Magazine. Advert to include information on technological advancements throughout the years and/or your company's presence at ICASSP 2023. Your \$5,000 contribution will be donated to the IEEE Signal Processing Student and Young Professionals Fund to support student and young professional activities and programs to foster the success of tomorrow's signal processing leaders.

Exhibitor Schedule

Installation Monday, 5 June, 14:00–17:00

Welcome Reception

There is a welcome reception the evening of Monday, 5 June and all registered exhibitors are cordially invited to attend on a complimentary basis.

Exhibition Hours Tuesday, 6 June, 09:00–17:00

Wednesday, 7 June, 09:00–17:00

Thursday, 8 June, 09:00–17:00

Friday, 9 June, 09:00–17:00

Dismantle Friday, 9 June, 17:00–20:00

Contact details
